ELECTRONIC TIPS & TRICKS

• Naviance
  • All students are given a Naviance account and by the end of junior year, we try to make sure that all students are using a personal email address due to firewall issues
  • Strongly encourage parents to create their account
  • Use Naviance to send group emails to students and parents regarding college visits, important information
  • Weekly newsletters through the Career Center, as well as important information can be sent to all stakeholders
  • Senior packet documents uploaded and completed through Naviance (mostly)

• Spreadsheet/Google Sheets
  • Create list of seniors and needed graduation requirements, as well as whether Senior Packet materials have been completed, for easier tracking and creation of mail merge documents.

• Google Forms
  • For student, parents, and college sign-ups for events and surveys

• Sign-up Genius
  • Families can sign up for individual college conferences

• Remind
  • Students and families can sign up to receive communication via text/email

• Social Media
  • Twitter account for Counseling Department, Career Center, and individual counselors to push out information, college visits to the career center, as well as develop relationships with colleges
